

# Clear Horizon

## CURRICULUM VITAE

### Kate Alliott, Senior Consultant

#### Overview of Expertise

With a decade's experience in complex social impact initiatives, Kate is a pragmatic and relationships-focused advisor, program manager and consultant. Kate is skilled in mixed-methods research, design and evaluation and has worked for a range of clients, including DFAT, UNICEF and UNFPA. Her experience includes leading regional and country-level evaluations, facilitating multi-stakeholder design processes, managing technical advisory bodies, and undertaking strategic reviews to improve program outcomes. She has worked across governance, education, gender equality and WASH, maintaining a rigorous rights-based approach throughout. In the past five years, Kate has provided monitoring and evaluation support to DFAT's aid programs in Papua New Guinea, Myanmar, Solomon Islands, Kiribati, and Indonesia. Kate is passionate about constructing MEL and advisory products that are practical, context-specific and seek to improve program outcomes.
