

Clear Horizon

CURRICULUM VITAE

Victoria Halburd, Senior Consultant

Overview of Expertise

A social impact professional with experience spanning international development, philanthropy, and evaluation, Victoria Halburd is an Adelaide-based Senior Consultant and member of Clear Horizon's Social Impact Team. Victoria is experienced in supporting community-led and place-based initiatives and evaluating prevention-based activities. In addition to this, she values supporting partners to codify and openly communicate their impact and learnings to contribute to broader knowledge. In her work, Victoria is dedicated to designing evaluation methods and data collection tools that add value for the people using them – bringing together multiple types of data to inform insights, shape learning, and contribute to strategy.
